

FEE is a social enterprise with a social aim of supporting the disadvantaged and helping people in hardship with the following services:

A Clothing Bank Service:

(In partnership with the  Project)

TOGS is a clothing bank project in which we provide free children and adults clothing to those in need. We accept referrals from organisations and we look for donated clothing from individuals and organisations.

Food Bank:

This is a weekly service in which people on a low income can access free food. Currently we are distributing Costco-Red Cross donated food on Tuesdays and Fare-share food on Wednesdays on a fortnightly basis.

Furniture Bank:

As part of this service we try to provide low cost furniture to people on a low income including unemployed and refugees to establish a home and settle.

Health & Employment Related Training:

We try to build capacity amongst the most disadvantaged through the following:

First Aid, Food Hygiene, Fire/health & Safety courses, IT classes, access to public/NHS online services, healthy food workshops, Job search, job applications, job interviews preparation, and English learning sessions, volunteering opportunities to improve skills, experience, and confidence for future employment.

We Need Your Help

Please help us by:

- **Donating spare clothing/furniture in a good condition.**
- **Donating any tinned/dry food, sanitary/hand wash, washing up liquids, toothbrush, toothpaste, or any other cleaning material.**
- **One off or regular financial support.**
